The Management & Staff of **Moore Construction** are committed to providing Total Customer Satisfaction by ensuring:

- Execute projects in alignment with ISO 9001:2015, legal requirements, and any relevant industry best practice.
- Fast, efficient client service.
- Top quality work at a reasonable price.
- On time delivery of projects / works.
- Continual improvement being part of our business.
- Repeat business being generated from satisfied customers.

We are committed to constantly maintaining and improving our Quality Management System by completing business and system reviews quarterly, complimented by third party audits annually.
